The objective of Methodist of the Month is to recognize individuals or groups in our church family who have either continuously and/or especially demonstrated the values we espouse at FCUMC through actions and/or words. In addition to recognizing people, the goal is also to celebrate our ministries and activities as well as for us to get to know each other better.

Those chosen as Methodist of Month will be recognized within our church community in a variety of ways including Worship Services, Epistle, Website, and Bulletin Boards. Their reason for being selected as well as some of their background information will be published in these various venues.
